Summary of medical practice, expertise and professional interests

Professional qualifications: Dr Adedokun became a Fellow of the College of Anaesthetists of the Royal College of Surgeons of Ireland in 2004, and in the same year became a Fellow of the Royal College of Anaesthetists. He was granted Fellowship by assessment of the Faculty of Pain Medicine of the Royal College of Anaesthetists in 2009.

NHS Consultant appointments: Dr Adedokun was appointed as a Consultant in Anaesthetics and Pain Medicine at the Pennine Acute NHS Trust (North Manchester General Hospital) in May 2007.

Current NHS practice: Dr Adedokun's practice is currently based at the North Manchester General Hospital Pain Management Unit, which is a dynamic, progressive and multi-disciplinary unit.

Dr Adedokun has extensive experience in the assessment and treatment of a wide range of chronic pain conditions.

His clinical experience includes chronic pain conditions such as chronic back and neck pain due to various causes, sciatic pain, Atypical facial pain, Trigeminal neuralgia, Post herpetic neuralgia, and other neuropathic pain syndromes, Complex headaches, Complex Regional Pain Syndrome, Cancer pain, Musculo-skeletal injuries/pain, Repetitive strain injuries, Fibromyalgia, Chronic Myofascial Pain Syndrome, Shoulder, Abdominal and Pelvic Pain Syndromes.

Private practice: Dr Adedokun's private consulting rooms are at the Spire Manchester Hospital, the BMI Beaumont and Beardwood Hospitals in Bolton and Blackburn respectively, with admitting rights in these hospitals treating patients with a wide range of chronic pain conditions.

Specialist medical interests: Dr Adedokun's varied interests include management of neuropathic pain especially Complex Regional Pain Syndromes, Musculoskeletal pain syndromes and Radiofrequency techniques for spinal and root pains.

Educational and training roles: Dr Adedokun is actively involved in local Foundation and Higher Specialist Pain Training, he is an active member of the Pain Training Action Group and organises the annual Pennine Acute Trust Chronic Pain Study Day for trainees and GPs in the North West. He is also a Member of the Editorial Board of the Journal of Observational Pain Medicine.
